

## **AT&T WORLD CONNECT VALUE AND ADVANTAGE PACKAGES:**

Domestic postpaid wireless voice plan required. For postpaid wireless voice plans with capped domestic minutes, international long distance (ILD) calls count against the monthly allotment of domestic voice minutes under your rate plan.

If you exceed your plan's monthly voice minute allowance, overage charges (up to \$0.45/minute) will apply.

**World Connect Value:** includes from the U.S., Puerto Rico, or the U.S. Virgin Islands unlimited calling to Mexico and Canada, and discounted calling to over 225 countries. **World Connect Advantage:** includes from the U.S., Puerto Rico, or the U.S. Virgin Islands i) unlimited calling to Mexico and Canada; ii) unlimited calling to landline numbers in 70 countries, and wireless numbers in 36 countries, and iii) discounted calling to over 155 countries.

For details on countries and rates for both packages, visit [att.com/worldconnect](http://att.com/worldconnect). Calls to wireless numbers or special services, such as Premium Rated Services, may cost more. Other restrictions apply. Rates subject to change. Rates vary by country and may vary by type of number called.
