

Wireless Emergency Alerts

FCC Personal Localized Alerting Network (PLAN)

HTC/AT&T has chosen to offer wireless emergency alerts within portions of its service area, as defined by the terms and conditions of its service agreement, on wireless emergency alert capable devices.

There is no additional charge for these wireless emergency alerts.

Wireless emergency alerts may not be available on all devices or in the entire service area, or if a subscriber is outside of the HTC/AT&T service area. For details on the availability of this service and wireless emergency alert capable devices, please ask a sales representative.

Notice required by FCC Rule 47 C.F.R 10.240 (Commercial Mobile Alert Service).
