**Implementation Date:**            On or after January 13, 2020

**URL:** <https://www.htcinc.net/network-updates/>

**Locations:** See Exhibit A South Carolina Locations

**Description of Planned Network Change(s):**

Horry Telephone Cooperative (HTC) intends to retire copper facilities in the South Carolina locations listed in Exhibit A in order to respond to various factors in the Outside Plant, including road construction, maintenance problems, and growth accommodation. Replacement cables may be either coax or fiber.

**Description of reasonably foreseeable impact(s) of the planned change(s):**

After the retirement of copper facilities, copper facilities will no longer be available to serve customers at Exhibit A locations and will not be maintained. However, all services currently provided over copper facilities will continue to be provisioned over either fiber or coaxial facilities.
