

## How do I create a TV Everywhere account?

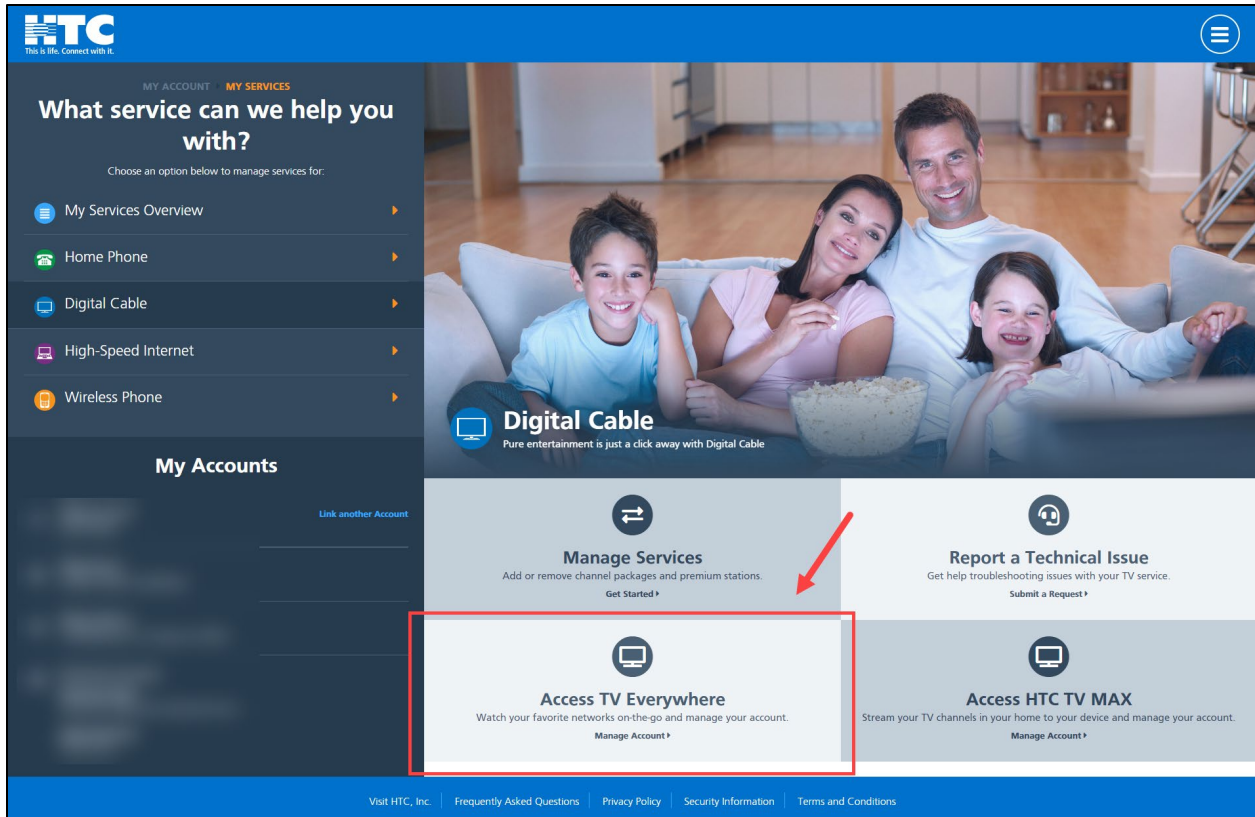

- To create a TV Everywhere account, log in to My Account via the HTC website.
- In My Account, click on 'Manage My Services'.

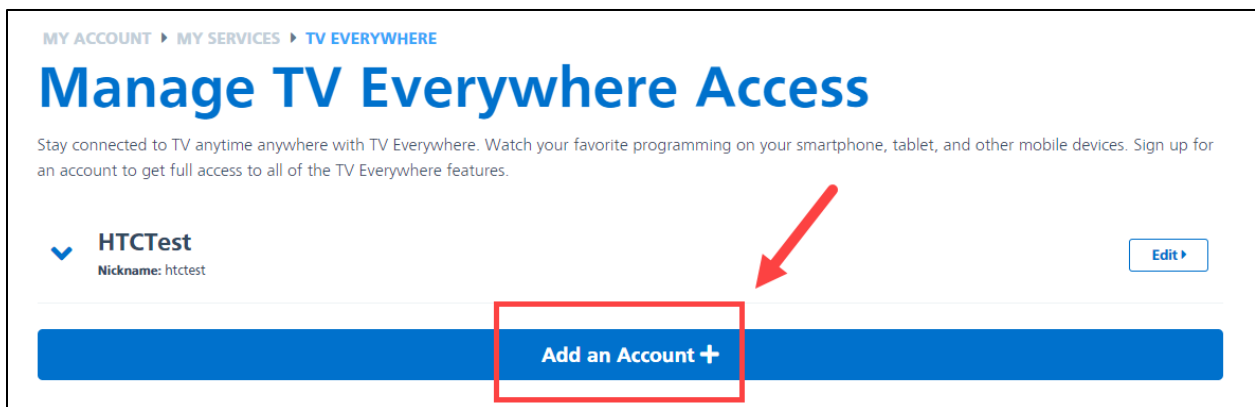

- On the 'My Services Overview' page, click on the blue Digital Cable icon.

- Scroll down and click on the 'Access TV Everywhere' tile.

- On the 'Manage TV Everywhere Access' page, click on 'Add and Account'.

- Enter the requested information and click 'Add Account' at bottom of page.

# Add TV Everywhere Account

Sign up for an account to get full access to all of the TV Everywhere features and watch your favorite programming on your smartphone, tablet, and other mobile devices.

## Recommended Usernames

Click to select
