

How do I create an HTC TV MAX account?

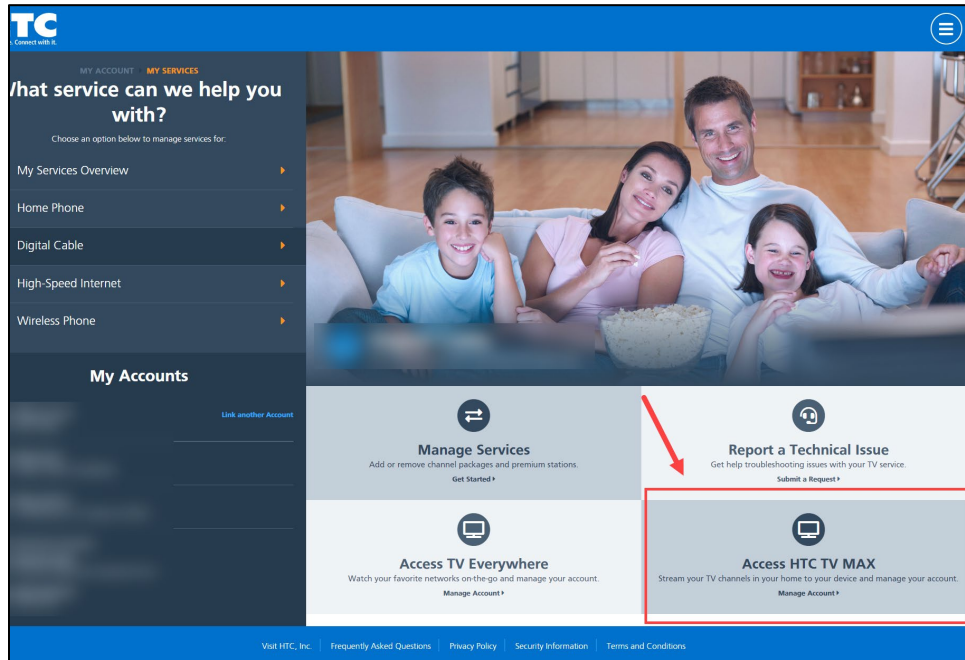

- To create an HTC TV MAX account, log into [HTC My Account](#).
- In My Account, click on **Manage My Services**.

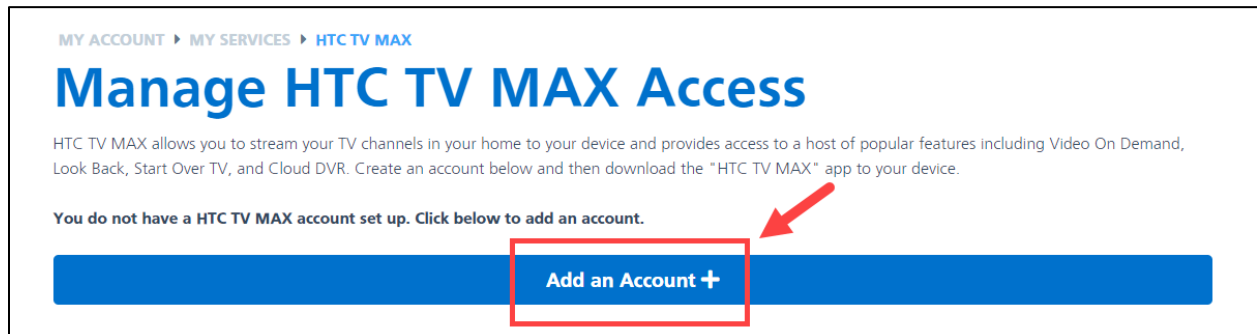

- On the **My Services Overview** page, click on the **HTC TV MAX** option.

- Scroll down and click on the **Access HTC TV MAX** tile.

- On the 'Manage HTC TV MAX Access' page, click on **Add an Account**.

Enter the requested information and click **Add Account** at bottom of page.

A screenshot of the 'Add HTC TV MAX Account' form. The page has a white background with a blue header. The main heading is 'Add HTC TV MAX Account'. Below the heading is a paragraph of text explaining the service. The form contains three input fields: 'Email *', 'Choose New Password *', and 'Confirm Password *'. Below the 'Choose New Password *' field is a note: 'Please enter a value between 8 and 20 characters long.' Below the 'Confirm Password *' field is a note: 'Password Strength:'. A blue button labeled 'Add Account +' is at the bottom of the form.
