REVISED SEPTEMBER 2023

HTC TV Max can be downloaded on multiple types of devices. To learn more, find your device and follow the instructions. If you have questions, please contact our Member Services Associates at **843.365.2154**.

## FIRE TV

### How to add the HTC TV MAX app through your TV:

1. An Amazon account is required. If you do not have an Amazon account, go to Amazon.com to create one.
2. If you are setting up your device for the first time, select “No Thanks” when it asks if you’d like to add streaming services. The HTC TV MAX app is not available in this section. You can go back and do this later if desired.
3. Once you have received your login information for your Amazon account, using your Fire TV or Fire TV stick, go to Apps.
4. Navigate to the category “Movies & TV”
5. Scroll until you find the HTC TV MAX app, select and download it.
6. Once installed, launch the app from either your home screen or Apps.
7. Enter the username and password you created for your HTC TV MAX account.

### How to add the HTC TV MAX app from your computer:

1. An Amazon account is required. If you do not have an Amazon account, go to [www.amazon.com](http://www.amazon.com) to create one.
2. Login to your Amazon account.
3. Click the drop down box in front of the search bar and select Prime Video.
4. Search HTC TV MAX in the search bar and select it.
5. On the right side of the screen, you can select to deliver the app to your Fire TV or Fire TV Stick device, or to the cloud to download from your device.
6. Click “Get App”.
7. Return to your Fire TV or Fire TV Stick device. If you delivered it directly to your device, you should see it with your Apps. If you sent the device to the cloud, you need to go to Settings, My Account and Sync Amazon Content.
8. Launch the app.
9. Enter the username and password you created for your HTC TV MAX account.

## ANDROID TV
