

How do I reset my @sccoast email password in My Account?

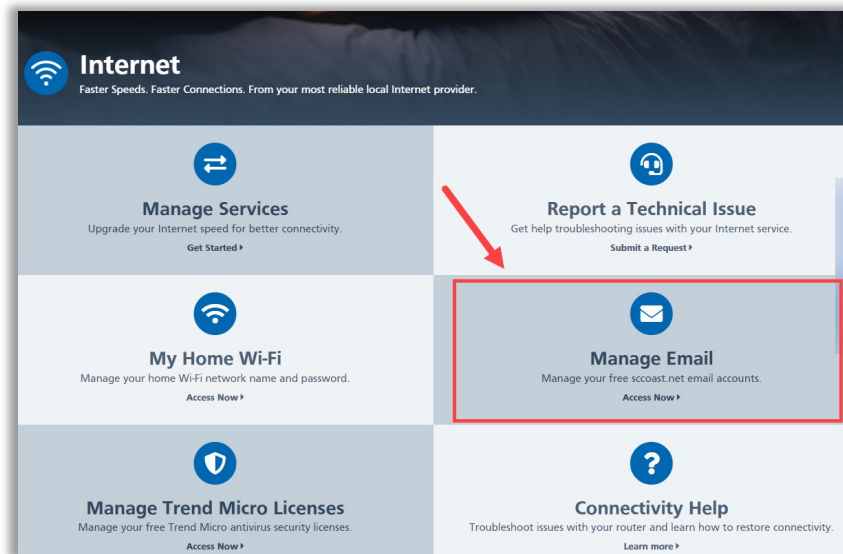

- To change your @sccoast email password, log into [HTC My Account](#).
- In My Account, click on **Manage My Services**.

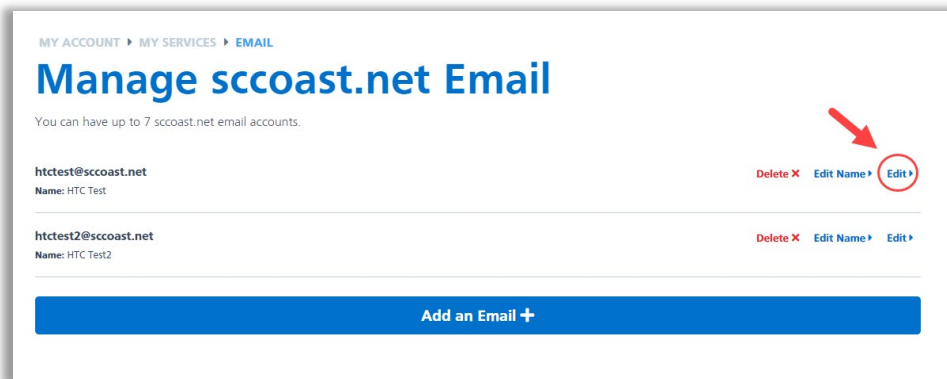

- On the 'My Services Overview' page, click on the **Internet** option.

- Scroll down and click on the **Manage Email** tile.

- On the 'Manage sccoast.net Email' page, click **Edit** to the right of your @sccoast email address.

- Enter the new password for your @sccoast email and click **Save Changes**.
