- You'll come to the TV everywhere guide, and locate the scrolling list of channels, which you can access with your TV Everywhere account. Click on the link, then in the list of TV providers search and select **HTC Digital Cable** or **HTC Digital Cable-SC**. As long as you're signed in to TV Everywhere, you should easily be able to navigate one of the linked pages and begin watching immediately.
- You can use these links to stream channels through the Amazon Fire Stick, Roku or other streaming applications. You may be asked on occasion to relink the account just enter the credentials as requested and your streaming experience will continue.

• You can also go directly to the <u>TV Everywhere page</u>.

• Click on the streaming channel of your choosing and this page will pop up.
